

Activity: Kiss Sweetheart Roses

Objective: To practice your skills with using floral tape and floral tools.

Materials:

2 – Hershey’s Kisses
Floral tape
Hot glue
1 - Skewer
Cellophane – Cut into a 4” x 4” square
Artificial leaves (Optional)
Ribbon (Optional)

Instructions:

1. Glue the two Kisses together on the circular end with a DAB of hot glue.
2. CAREFULLY insert the pointed side of the skewer into one pointed end of the double kiss.
3. Wrap 4-inch square of cellophane around double chocolate, twisting cellophane tightly around the bottom of the kisses (skewer end).
4. Starting at bottom of rose, wrap florist tape around edges of cellophane, continuing down the full length of wire with tape. While wrapping, add 1 or 2 artificial leaves at the top end around the “rose bud”, if desired, securing leaves in place with florist tape.
5. Tie two or more candy roses together with a bow if you want to make a small bouquet.
