

History of Boutonnieres & Corsages

Directions:

As you learned in the presentation, floral materials have been worn for many centuries as personal adornments. This project will further explore the history of wearing floral materials.

1. Research the history of wearing floral designs as personal adornment.
2. You should choose either a time period or culture on which to concentrate your research.
3. After conducting your research, you will prepare a short three to five minute oral presentation for the class about your findings.
4. Include fact such as:
 - A. How floral adornments were used along with their purpose
 - B. Facts about the world during your chosen culture's existence or time period
 - C. Cultural facts
 - D. Dates
5. Make sure to properly cite your references.
